TERMINAL DISCLAIMER TO OBVIATE A DOUBLE PATENTING
REJECTION (37 C.F.R. 1.321(b))

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The below-named attorney of record, hereby disclaims the terminal part of any patent granted on said application which would extend beyond the expiration date of the full statutory term of United States Patent No. 5,473,380, and hereby agrees that any patent so granted on this application shall be

enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 5,473,380. This agreement is to run with any patent granted on said application and to be binding upon the grantor, its successors or assigns. Title to said application is in Sony Corporation, a corporation of Japan, as evidenced by the assignment from the inventor recorded at reel 7643, frame 678.

The below-named attorney of record does not disclaim any terminal part of any patent granted on said application prior to the expiration date of the full statutory term of United States Patent No. 5,473,380, in the event that said patent 5,473,380 later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated above.
